# TITUS

**AUTHOR:** THE APOSTLE PAUL

## KEY THEMES

Counsel and exhortations relating to ministerial duties and doctrines, with special emphasis on maintaining good works.

## TITUS 3:8

"This is a trustworthy saying. And I want you to stress these things, so that those who have trusted in God may be careful to devote themselves to doing what is good. These things are excellent and profitable for everyone."

## KEY VERSE

## SYNOPSIS:

Paul had recently completed a journey to Crete which resulted in the establishment of new churches. Titus (a co-worker of Paul) was left behind to see that these churches were properly established. This letter to Titus warns about false teachers. However, it is a call and reminder that the true gospel produces lives of godliness.
