

## **Four principles about discovering God's will for your life.**

**Principle # 1:** God's will is most often discovered as a result of the ordinary events of life.

**Principle # 2:** God often reveals His will by first putting us in an uncomfortable position.

**Principle # 3:** God arranges the circumstances of life so that when the right moment comes, we will be in exactly the right place to do His will.

**Principle # 4:** God brings us again and again to face one basic question: Am I willing to do God's will without regard to the consequences?
