## KEY VERSE

## SYNOPSIS:

Luke writes a narrative compiled of eye witness testimony beginning with the birth of John the Baptist and continuing through the death and resurrection of Jesus. Luke makes the connection that Jesus is the promised one of God as prophesied in the Old Testament and as attested through God's saving activity in Jesus' life, death and resurrection. In addition, Luke emphasized the truthfulness of the Christian traditions his readers had been taught, so that by believing in Jesus Christ, the Son of God, they would receive the promised Holy Spirit whom he gives to all who follow him.
