1. (Icebreaker) It's Mother's Day week! Share highlights of your Mother's Day celebration. If your situation is more complex due to a loss or broken relationships, feel free to share about that as well. We can cast our cares on the Lord and pray for one another.
2. **Main Idea: Salvation belongs to the Lord.**
3. Seven Glorious Realities of Salvation:
 - Jesus Saves
 - Jesus Saves Sinners
 - Jesus Saves Personally
 - Jesus Saves In His Timing
 - Jesus Saves Completely
 - Jesus Saves Surprisingly
 - Jesus Saves You For His Purposes
4. Note: This week we're using 4 questions made famous by pastor Ralph Moore and the Hope Chapel Movement which started in the early 1970's and multiplied into over 2,639 churches across the globe. These questions can be used on any given week to review a sermon, a passage of Scripture that you read on your own, or a chapter of a book. I pray this week that your group is blessed by the discussions they prompt.
 1. What did God say to you?
 2. What will you do about it?
 3. How can we help you obey?

4. Who else should you tell?
